The Honorable Elford A. Cederberg  
U. S. House of Representatives  
Washington 25, D. C.

Dear Mr. Cederberg:

Thank you for your letter of 20 November 1953,  
together with its enclosed memorandum to me from

We are always extremely interested in receiving suggestions from interested citizens who have ideas which they feel can be helpful to us in our work. One never knows when such a suggestion might lead to very helpful results. For this reason I am asking our office to get in touch with [redacted] and obtain from him the ideas relating to intelligence work in Latin America which he wishes to transmit. At the same time, in view of the fact that [redacted] appears to be interested in employment here, I will request our [redacted] office to give him the necessary application forms so that we may consider his qualifications in the light of any current vacancies. I must be frank to say, however, that at the present time we are doing very little hiring in the professional grades.

I trust that you will continue to bring to my attention any matters which you feel would be of interest to this Agency.

Sincerely,

OGC [redacted] b1c (1 Dec. 53)
